

## FIRST ANNOUNCEMENT AND CALL FOR PAPERS

Exactly 25 years since the 1st conference of the Society of Thermal Engineers titled "Industrial Energy" which in 2008 becomes a Regional Conference named **Industrial Energy and Environmental Protection in South-Eastern Europe**, Serbian Society of Thermal Engineers carries on with a VII regional conference in 2019. The necessity of frequent and persistent exchange of views on how the industry can improve its energy field and place energy efficiency on a higher level, is especially important now when it is reviewed if the EU energy policies are achieving the 20-20-20 objectives. Serbian Society of Thermal Engineers organizes this conference biennially, and although there have been developments in legislation and in the implementation of specific projects within the region, the V conference is above all an opportunity to analyze the actual achievements in improving energy efficiency, environmental protection and application of renewable energy sources.

VII Regional Conference: "**Industrial Energy and Environmental Protection in South Eastern Europe**" will be held from June 19 - 21, 2019 at Ratko Mitrovic Resort, Zlatibor, Serbia.

### IEEP 2019 SUBJECT AREAS

#### 1. Energy Policy, Legislature and Incentives

- ✍ Energy Policy of the Countries in the Region
- ✍ National Regional Programs for Energy Efficiency
- ✍ Incentive Measures for Improvement of Energy Efficiency
- ✍ Financing Models of Energy Efficiency
- ✍ Law Regulations

#### 2. Energy efficiency and energy management within industry and building

- ✍ Energy efficiency and sustainable development of industrial enterprises
- ✍ Energy-efficient technologies
- ✍ Problems and possibilities of co-generation and tri-generation usage
- ✍ The use of waste heat and waste materials
- ✍ Revitalization of technological energy systems in industrial companies
- ✍ Energy Management Programs
- ✍ The situation analysis and optimization methods in industrial energy
- ✍ Measurement, control and process visualization

#### 3. Environmental Protection and Sustainable Development

- ✍ Protection of air, water and soil and sustainable development of industrial enterprises
- ✍ Treatment and Use of Waste Materials

- ✍ Implementation of Kyoto Protocol
- ✍ Activities and initiatives under the light of climate changes struggle
- ✍ Concepts and Projects of Cleaner Production
- ✍ Implementation of Analysis of Product Life Cycle

#### 4. The use of renewable energy sources

- ✍ The use of renewable energy sources
- ✍ Using waste as fuel in industry
- ✍ The use of local fuels
- ✍ Replacing the fuel and the use of alternative fuels

#### 5. Special Sessions

- 5a. Examples of good practices and existing solutions to increase EE and application of renewable energy sources
- 5b. Improving education in energy and environment

We invite participants to collaborate in organizing special sessions. Special sessions may be proposed if there are at least 6 papers to be presented within. The proposer can also be a special session moderator and will be released of the registration fee.

### BASIC GOALS OF IEEP '19

- Evaluation of the existent practice from technological, technical, managerial and ecological point of view
- Analysis of the current problems with the consideration of existent legal and technical regulations in the specific areas and EU objectives in energy efficiency, application of renewable energy sources, sustainable development and climate changes solution activities
- View to the future - development directions, presentation of new technical and scientific solutions
- Presentation of good practice and implemented solutions
- Publishing conference conclusions

**We invite all the individuals, institutions and companies from the region and wider to participate.**

## CALL FOR PAPERS

The are authors kindly asked to submit only the original paper, i.e. which has not been previously published.

### Abstract Instructions:

The abstract should include:

- ✍ Title typed in UPPER CASE
- ✍ Author's name (written with the First letter in Upper case and other letters in lower case, e.g. Albert)
- ✍ Author's surname (written in Upper case, e.g. SMITH)
- ✍ Regular mailing address and e-mail address
- ✍ Abstract should focus on the essence of the paper and typed in Times New Roman, 12pt, in maximum A4 format
- ✍ Key words

**Abstract must be submitted in English.**

### Paper Instructions:

The authors whose papers are accepted for the presentation at the Conference will be informed of the acceptance until the February 9, 2019 in addition to receiving detailed paper and presentation instruction.

### Objavljivanje radova:

All accepted papers will be published on the CD of the Conference in its original form without proof reading and corrections. Papers must be submitted in English as should the oral presentations be given. Accepted papers will be published in magazines "Termotehnika" and "Thermal Science"

### DEADLINES:

<b>January 31, 2019</b>	<b>Abstract Submission</b>
<b>February 9, 2019</b>	<b>Abstract Acceptance Notification</b>
<b>March 22, 2019</b>	<b>Paper Submission</b>
<b>April 26, 2019</b>	<b>Paper Acceptance Notification</b>

## BASIC CONTENTS OF IEEP 2019

- Scientific content: subjects of special scientific and professional interest
- Side scientific content: professional and business discussions, round tables etc.
- Side commercial program, exhibition, business club, advertising panels promotions and presentation of equipment, products, hardware, software, publications
- Social program: cocktails, banquet, business lunches and dinners, organized with the aim of enabling networking among participants
- Side tourist and scientific program: study tours and excursions, which are custom-made following the interest of individuals

## REGISTRATION FEE

Conference participants	<b>160 €</b>
Paper authors and young researchers*	<b>120 €</b>
Students**	<b>60 €</b>
*up to 35 years of age / ** with faculty confirmation of regular studies, up to 30 years of age	

**VAT is not included in given prices.**

### Registration fee includes:

- ✍ The right to participate in all sessions and conference presentations
- ✍ Book of Abstracts
- ✍ CD with conference papers and presentations of sponsors
- ✍ Welcome Cocktail
- ✍ Dinner Voucher
- ✍ Other conference materials

Abstract and paper submission and registration for the conference can be done through:
