

## INFORMATION FOR AUTHORS

We invite authors to send subject proposal including abstract and keywords by using Application for electronic paper submission available at [www.bslz.org](http://www.bslz.org). Authors may register for either a paper or a poster presentation. Accepted papers will be published in proceedings, if additional conditions are met. Only papers on which at least one author has paid the registration fee will be published, also under condition that they will be presented at the conference (oral or poster presentation). The decision on how the paper will be presented at the conference is made by the scientific-program committee. One author can author at most three papers, and be the first author on two. In certain cases, the program committee can approve an exception from this rule. In order to submit a subject, one of the authors must have an account at the website [www.bslz.org](http://www.bslz.org), which must be verified.
